Notes to the Financial Statements

For the Year Ended 30 June 2023

The financial report covers ROLDA Inc as an individual entity. ROLDA Inc is a not-for-profit Association, registered and domiciled in Australia.

The principal activity of the Association for the year ended 30 June 2023 was fundraising to support two dog shelters that provide humane solutions to the homeless dog problem in Romania.

The functional and presentation currency of ROLDA Inc is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

In the opinion of those charged with Governance the Association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the *Australian Charities and Not-for-profits Commission Act 2012*

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 *Presentation of Financial Statements*, AASB 107 *Statement of Cash Flows*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and AASB 1054 *Australian Additional Disclosures*.

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Other income

Other income is recognised on an accruals basis when the Association is entitled to it. Other income consists primarily of donations.

(b) Income Tax

The Association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(c) Goods and services tax (GST)

The association is entitled to a GST concession and is therefore not registered for GST. As a result, revenue, expenses and assets are recognised inclusive of the amount of goods and services tax (GST) as GST is not payable to, nor recoverable from, the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis.

(d) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Notes to the Financial Statements

For the Year Ended 30 June 2023

2 Summary of Significant Accounting Policies

(e) Financial instruments

Financial instruments are recognised initially on the date that the Association becomes party to the contractual provisions of the instrument.

Financial liabilities

The Association measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Association comprise trade payables.

(f) Going concern

The financial statements have been prepared on a going concern basis which contemplates that the Association will continue to meet its commitments and can therefore continue normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

For the year ended 30 June 2023, the association reported a profit after tax for the year of \$53,489 (2022: profit of \$52,912). At 30 June 2023, the Association reported a surplus of net assets of \$62,228 (2022: net assets of \$8,739). This represents a 3rd successive year that a profit has been reported.

During the year, the Association recorded donation income of \$441,375 as a result of being named as a beneficiary of a deceased Estate. The Committee are of the understanding that additional distributions will be forthcoming as settlement of the Estate is finalised.

The Association transferred \$454,880 (2022: \$35,930) during the year to the Romanian association that it supports to assist with dog shelters. The Association also continued to support the Romanian dog shelters through the continued reimbursement of consultancy costs that would otherwise be incurred directly by the Romanian association.

The Committee members are aware of the need for the Association to maintain a positive net asset financial position and to generate an ongoing source of donation income. The Association has adopted a marketing plan set towards an increase in its donor base with a view to increasing its donation income. The plan includes a house mailing programme, along with a continuation of cash inflows through pre-existing direct debit gift contributions. The Association continues to also actively review its operating costs.

Accessing new donors, and retaining existing donors, is always uncertain and this may give rise to a material uncertainty in regards to the ability to raise additional funds. After taking into account the various funding and cost-saving options available, the Committee has a reasonable expectation that the Association will be successful with future financial initiatives and, as a result, will have adequate resources to fund its future operational requirements. For these reasons it continues to adopt the going concern basis in preparing the financial report.

Should the Association be unable to continue as a going concern, it may be required to realise its assets and liabilities other than in the ordinary course of business, and at amounts that differ from those stated in the financial statements. The financial report does not include any adjustments relating to the recoverability or classification of recorded asset amounts nor to the amounts or classification of liabilities that might be necessary should the Association not be able to continue as a going concern.

(g) Adoption of new and revised accounting standards

The Association has adopted all standards which became effective for the first time at 30 June 2023. The adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Association.

Committee Members' Declaration

The committee has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 2 to the financial statements.

In the opinion of the committee the financial report as set out on pages 3 to 10 satisfies the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* including:

1. complying with Accounting Standards as described in Note 2 to the financial statements and the *Australian Charities and Not-for-profits Commission Regulation 2013*; and
2. presenting fairly the financial position of ROLDA Inc as at 30 June 2023 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that ROLDA Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

Independent Auditor's Report to the members of Rolda Inc

We have audited the financial report of ROLDA Inc (the Entity), which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the committee members declaration.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompany financial report of ROLDA Inc, is in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including:

- a) giving a true and fair view of the financial position of the Entity as at 30 June 2023, and of its financial performance for the year then ended; and
- b) complying with Australian Accounting standards and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

Basis for Qualified Opinion

Cash donations are a significant source of fundraising revenue for the Entity. The Entity has determined that it is impracticable to establish control over the completeness of cash donations prior to entry into its financial records. Accordingly, as the evidence available to us regarding fundraising revenue from this source was limited, our audit procedures with respect to cash donations was restricted to amounts recorded in the financial records. We are therefore unable to express an opinion on whether the recorded donations of the Entity are complete.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the committee members' financial reporting responsibilities under Division 60 of the Australian Charities and Not-for-profits Commission Act 2012. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Information Other than the Financial Report and Auditor's Report Thereon

The committee is responsible for the other information. The other information comprises the information included in the Entity's Committees' Report for the year ended 30 June 2023 but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

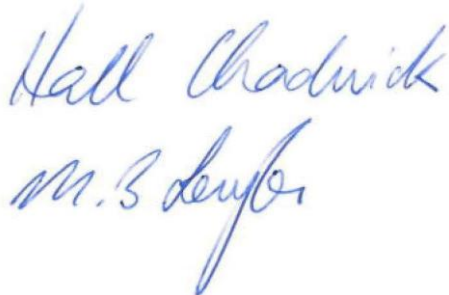

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one for resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
-

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Entity to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Entity audit. We remain solely responsible for our audit opinion.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
